

WOW, did you know:

*If you need to make large purchases from the NIH Supply Center or one of the Self Service Stores but just don't have enough space in your areas to store it, your **ISO Certified** NIH Supply Center is offering to store those large purchases free of charge at the NIH Supply Center warehouse located in Gaithersburg. Your products stored at the NIH SC will be delivered to your lab/office in increments of your choosing with a call to Customer Service, all at no cost to you. This no cost service can be accomplished in 3 easy steps:*

- 1. Place your order in NBS*
- 2. Call the NIH SC Customer Service 301-496-9120 and give your order number to customer service rep with instructions for deliveries and storage*
- 3. When ready to receive part or all of your stored products, call 301-496-9120 at least 2 days prior to schedule the desired delivery date and quantity of your stored products*
